

## Short Essay 6

### Theme 3 School Trip

がくりょこう  
しゅう学旅行

Japanese friend Sakura has sent you an email about a school trip she went on. Write a reply to Sakura and tell her about your school trip.

You must refer to the following points:

- why your school organised this trip
- what you did on the school trip
- why it is good or not to have school trips
- what new trip you would like to go on.

Write approximately 160–180 characters in Japanese.

Use language appropriate for an email in a familiar context.

## **Long Essay 9**

### **Theme 4 Part-time Job**

アルバイト

Some Japanese schools do not allow their students to have a part-time job. Write your opinion and post it on an educational website in Japan.

You should include:

- whether part-time work is allowed at your school
- your experience of working part-time
- advantage and disadvantage of part-time work for students
- descriptions of jobs suitable for students

Justify your ideas and opinions.

Write approximately 260-300 characters in Japanese. Use a formal style of language suitable for the article.
